Summary

Innovative educator and licensed professional teacher with 16 years of combined experience in Digital Literacy, Computing, Robotics, ICT, and educational program development. Holds a Master's in Educational Management and dual degrees in IT and Elementary Education. Certified VEX IQ Robotics Instructor and NBDB-registered instructional designer, author, and illustrator. Highly organized, tech-focused, and committed to creating engaging, competency-based learning experiences.

Teaching Experiences:

2024–Present

Daroonpat Bilingual School | Bangkok, Thailand

Digital Literacy and Computing Teacher

Deliver engaging Digital Literacy and Computing lessons for Grades 1–6 using McEduHub curriculum and the Thai Basic Education Core Standards. Design interactive learning experiences integrating problem-solving, computational thinking, and responsible technology use. Create assessments, digital materials, and differentiated tasks to support diverse learners. Collaborate with homeroom teachers, provide data-driven progress tracking, and support school academic initiatives. Facilitate a positive, technology-rich classroom environment that builds students' confidence and foundational digital skills.

2023–2024

Valaya Alongkorn Rajabhat University

Teacher in Arts, Coding, and VEX IQ Robotics

Taught arts, foundational coding, and introductory robotics to university and K–12 learners under the university's outreach and training programs. Developed curriculum materials aligned with 21st-century skills, including creative design, algorithmic thinking, and hands-on robotics using VEX IQ platforms. Led workshops, demonstrations, and project-based learning activities. Supported learners in building robots, programming movement and sensors, and preparing for robotics competitions.

2022–2023

MediaKids Academy | Pathum Thani, Thailand

English Teacher

Taught English language skills to primary students through communicative, activity-based, and student-centered approaches. Created differentiated lesson plans, phonics activities, and assessments tailored to non-native English learners. Supported school events, classroom management, and cultural integration. Built rapport with students and helped strengthen their proficiency in reading, speaking, listening, and writing.

2019–2021

Exodus Early Childhood Learning School | General Santos City, Philippines

Music Teacher

Designed and facilitated early childhood music lessons focused on rhythm, movement, singing, creativity, and sensory development. Introduced age-appropriate activities that nurtured auditory, motor, and emotional growth. Prepared students for performances, classroom presentations, and musical routines. Collaborated with teachers to integrate music into thematic lessons and whole-child development programs.

2018–2019

Holy Trinity College of General Santos City | Philippines

Senior High School Teacher – Computer and Multimedia Literacy

Taught Computer and Multimedia Literacy to senior high school students, covering digital tools, information technology concepts, multimedia production, and responsible digital citizenship. Guided learners in using productivity software, designing multimedia outputs, and applying ICT skills for academic and real-world tasks. Developed learning modules, hands-on projects, and performance-based assessments aligned with curriculum standards.
